

**LEGEND**

- TERTIARY**  
 13 Quartz and feldspar porphyry
- CRETACEOUS**  
 11 Quartz monzonite and granodiorite commonly porphyritic
- MISSISSIPPIAN**  
 9 Quartzite, micaceous and graphitic schists, slate, conglomerate  
 8 Andesite and basalt flows and tuffs, generally schistose  
 7 Granulite, skarn, quartz-sericite schist, chlorite-garnet schist, hornfels and phyllite
- DEVONIAN**  
 5 Chert, shale, quartzite, slate, sandstone, greywacke, phyllite
- PRECAMBRIAN**  
 1 Quartzite, chert, hornfels, skarn, limestone

- Approximate outcrop area  
 ~ Approximate geological contact
