

APPENDIX A - STATEMENT OF QUALIFICATIONS**EVELIO MARTINEZ DEL PINO**

I, Evelio Martinez, declare that:

1. I am a Geophysicist with residence in Hamilton, Ontario and am presently employed in this capacity with Quantec Geoscience Ltd., Toronto, Ontario.
2. I obtained a Bachelor's Degree in Geophysical Engineering at ISPJAE University in La Habana, CUBA, in 1993, and a Masters Degree in Applied Geophysics (M.Sc.) at the ITC in Delft, The Netherlands, in 2000.
3. I am a registered geoscientist, since 2004, with license to practice in the Province of Ontario, (APGO License # 1058).
4. I am a member of the American Geophysical Union (AGU).
5. I am a member of Canadian Exploration Geophysicists Society (KEGS).
6. I have practiced my profession continuously since September 1993, in Cuba, The Netherlands, Portugal, Canada, Africa and Russia.
7. I have no interest, nor do I expect to receive any interest in the properties or securities of Western Copper Corporation, its subsidiaries or its joint-venture partners.
8. I am the Professional Geophysicist responsible for this project. I authored this Geophysical Interpretation Report and executed the data interpretation. I have compiled the final processed data, inversions and interpretation results, and I can attest that the information and inversions accurately and faithfully reflect the data acquired on site. The statements made in this report represent my professional opinion based on my consideration of the information available.

[signed and sealed]

Evelio Martinez del Pino, M.Sc., P. Geo (ON)
Senior Geophysicist.
Interpretation Group
Quantec Geoscience Ltd.

Toronto, Ontario
September, 2009

KEVIN J. KILLIN

I, Kevin J. Killin, declare that:

1. I am a consultant with residence in Whitby, Ontario and am presently employed in this capacity with Quantec Geoscience Ltd., Toronto, Ontario.
2. I obtained an Honours Bachelor of Science Degree (HBSc), in Geological Geophysics from the University of Western Ontario in London Ontario, in 1986, including a Geology degree and Geophysics degree.
3. I have worked continuously since December, 1986, in North-America, Europe, South-America, The Middle East and Asia in the exploration industry.
4. I am a member of the Prospectors and Developers Association of Canada, and the Canadian Exploration Geophysics Society (KEGS).
5. I have no interest, nor do I expect to receive any interest in the properties or securities of Western Copper Corporation, its subsidiaries or its joint-venture partners.
6. I have been the Project Manager responsible for this project. I have reviewed the survey results, oversaw the preparation and reviewed this interpretation report. I can attest that these accurately and faithfully reflect the data acquired on site.
7. The statements made in this report represent my opinion in consideration of the information available to me at the time of writing this report.
