## August 2011

The logo for Precision GeoSurveys Inc. features the word "Precision" in a large, bold, black sans-serif font. Above the "i" in "Precision" is a stylized orange line graph with two peaks and a dip, resembling a seismic or surveying waveform. Below "Precision" is the word "GeoSurveys" in a smaller, orange, sans-serif font, followed by "Inc." in a smaller, black, sans-serif font.
