*In October, 2002 Expatriate optioned the remaining Don claims, the neighbouring Wolv claims and the Klux claims to Midnight Mines Ltd. (wholly owned by Bill Harris) in return for a 1.0% net smelter royalty and certain work commitments. In May 2003 ownership of the remaining Don, Wolv and Klux claims was transferred to StratGold Corporation as part of a reorganization of Expatriate Resources although Midnight Mines retained their option.
